Less Than 10 Days to Go!

We are now less than 10 days away from this year's Classic Car and Motorcycle show and we have had a fantastic response from classic owners from Lincolnshire, Cambridgeshire, Leicestershire, Yorkshire, Nottinghamshire and Rutland. It's great to know that people want to bring their pride and joy to our event and put on a great show for the people of Sleaford and surrounding areas.

As a result of the keen interest we regret that **Car Entries are now closed**, we do have a hand full of spaces left for motorcycles and scooters, but we would strongly advise you to enter prior to the show by contacting Mary at mary.sanders1@btinternet.com . If you turn up without prior booking on the day you may be disappointed.

If you don't have a classic to display bring the family along to see a wide range of cars and motorcycles dating from the 1910's right up to the early 2000's all of which are still in regular use by their owners. We also have Club displays from Grantham Classic car Club, Spalding and East Elloe Classic Car Club, The Gilbern Owners Club and for the first time this year the Heckington Auto Club.

Weather permitting, we have a Battle of Britain Memorial Flight, Spitfire fly past. Lincolnshire Fire and Rescue will be there, as well as various trade stands and catering facilities. The show opens to the public at 10:30 and trophies for the best cars of the day will be awarded at around 4:00 pm.

So, make it a date come and see one of the best classic car and motorcycle shows in the area, you will not be disappointed by what you see.
